

Internship Admissions, Support, and Initial Placement Data
(updated 8/28/2018)

Internship Program Admissions

Larned State Hospital (LSH) has three distinct programs on one campus: State Security Program (forensic inpatient psychiatric program), Sexual Predator Treatment Program (specifically treats individuals identified as Sexually Violent Predators), and the Psychiatric Services Program (civil inpatient psychiatric program). Currently, two of these programs host interns; one intern is assigned to the Psychiatric Services Program and two interns are assigned to the State Security Program. Applicants for the LSH Psychology Internship Program (LSHIP) must have a certification of internship readiness from their doctoral program's Director of Clinical Training, have completed at least two clinical practica in completion of their doctoral program, and demonstrate psychology report writing skills commensurate with their level of training.

Does the program require that applicants have received a minimum number of hour of the following at the time of application? If yes, indicate how many:

Total Direct Contact Intervention Hours	No
Total Direct Contact Assessment Hours	No

Describe any other required minimum criteria used to screen applicants:
Psychological report writing skills commensurate with level of training
